Solve The Cryptogram, Solve The Mystery of *Pig!*

## Cryptogram # 1 - Who Are You?

To solve the Cryptogram, each coded letter must be replaced by the answer letter in the box overhead. When you solve the code for a letter, write the answer letter in the box everywhere the coded letter appears. Look for common words and letter patterns to break the code. Words like AND, I, THE, and A are found frequently. Common word endings are ING, S and E.

The Cryptogram, once solved, provides a clue to solving the mystery of PIG.
